COOPER WEBB  
2019 WORLD AMA/FIM  
SUPERCROSS CHAMPION

---

# T H E R E L E N T L E S S P U R S U I T

Winning the most prestigious championship in the sport takes a singular focus and relentless pursuit of your goal. When it's coupled with finding the inner strength to believe when others have lost confidence, the task becomes herculean. Reaching that goal requires thousands of hours of effort that no one sees or appreciates. Those early mornings and long motos at the practice track, the countless hours of conditioning, the commitment to always move forward.

That relentless pursuit is what separates the winners from the losers, the imitators from the innovators, the strong from the weak. It's also what inspires us to continually raise the bar on performance, durability, comfort and style on every piece of moto equipment we produce. Because our goal is helping you reach yours.

# Hallman

Founded in 1968 by four-time World Motocross Champion, Torsten Hallman, Hallman Racing is America's first motocross racewear brand. Torsten, a true original, was one of the men who introduced motocross to the U.S. and revolutionized everything from the way we ride, to what we wear. Realizing the American racer's potential, Torsten saw the need for quality motocross gear so he began importing pants, jerseys and gloves under the brand name Hallman Racing, or THOR (Torsten Hallman Original Racewear). We are proud to celebrate 50 years of racing heritage with the new Hallman Collection by THOR. Authentic in every aspect, The Hallman Collection is inspired by the roots of the brand and offers timeless style for all things two wheels.
