# SENTINEL PRO

Introducing the next generation in lightweight, performance chest and back protection. The Sentinel Pro is purpose-built to provide extensive coverage and protection while allowing complete rider mobility. Featuring a low-profile CE certified front and back panel design, the Sentinel Pro incorporates a unique press-fit molded and ventilated comfort liner system for maximum airflow. The fully adjustable shoulders and ratchet-style waist closure provide a secure, tailored fit that contours body position.

**SAFETY WARNING:**

Riding a motorcycle is a dangerous activity. When riding, always wear a helmet, eye protection and protective clothing. There is no assurance that serious injury or death can be avoided even if you wear the product shown in this catalog and take all the precautions to avoid every risk. Please ensure that your THOR products fit properly. Improperly fitting products can impair your ability to control your motorcycle.
