PRO-CHAMBER TRIKE DUAL HEADPIPES

- Display the clean look of a true-dual system, but pack the performance to back it up; because of the Cobra PowerPort crossover, this system performs like a 2-into-1 exhaust
- The PowerPort Dual headpipes fatten the low-end and mid-range torque curve, perfect for touring and highway use
- The headpipes arrive with the proper bends built in so there is no need to use adapters (all other aftermarket headpipes require "S" adapters to connect the headpipes to the mufflers – stock or aftermarket)
- The system consists of the headpipes, PowerPort section, oxygen sensor bungs, heat shields and all of the mounting hardware needed to complete the installation
- 1,75" diameter
- Mufflers not included
- Available in chrome
