STEP-UP SEATS

- Saddlemen has collaborated with top freestyle performers to create the new T-sport inspired step-up lattice stitch (LS) or tuck-n'-roll (TR) seats
- LS seats infuse old-school lattice stitch retro styling with a modern twist
- TR seats feature true tuck-n'-roll styling
- High lumbar keeps the rider locked into the seat
- Feature Saddlemen's Ultra-Foam which is formulated to provide a perfect balance of rigidity and user compliance with integrated GelCore™ technology
- Installs easily with all necessary mounting hardware and instructions included

GRIPPER STEP-UP SEATS

- Blend rider and passenger comfort with the ergonomics required to keep the rider locked in place and in control of the bike
- Combine a GelCore™ interior with Ultra-Foam that creates a perfect balance of rigidity and user compliance
- The Ultra-Foam's unique molding process creates an element-resistant, self-skinning process that seals the foam from water and enhances the seat's durability as well as comfort
- Gripper lumbar will stick you to the seat
- All mounting hardware and instructions are included for easy installation
- Available with a black SaddleHyde™ cover with black stitching

S3 SUPER SLAMMED SOLO SEATS

- Really low to create a stylish saddle so thin it barely covers the bike's battery
- The perfect seat choice for the rider alone, no passenger pillion
- The sculpting of the seat not only creates a smart style, but it gives riders a short leg reach to the ground for confident stops
- Choose either a leather-grain SaddleHyde™ seat cover or brushed SaddleHyde™ cover for a rich, custom look
- Both cover types offer excellent comfort with a classic feel and are weather-resistant for low-maintenance ownership
- The progressive density foam foundation offers a surprising amount of supportive comfort for a slammed solo seat
- Marine-grade fiberglass pans and chrome brackets make sure the seat is durable for decades of riding
- Easy to install, just like the bike's original seat; includes additional mounting hardware as needed

EXPLORER™ SEATS

- Saddlemen's comfortable design is the gold-standard for touring seats
- Supple SaddleHyde™ offers a combination of comfort, glove-soft leathery feel and weather-resistant, no-maintenance good looks
- Exclusive, split-cushion design separates the seating surface from the lumbar support, reducing tailbone and back pressure for maximum long-range comfort
- GelCore™ in both driver and passenger portions reduces engine vibration by 50% and dampens road shock by up to 90%
- Also available with removable driver's backrest that is adjustable for both height and fore-aft position

DOMINATOR SOLO SEATS AND PILLION PADS WITH BACKREST OPTION

- Hybrid seat design combines SaddleGel™ interior, progressive-density foam and a Gel Channel™-design cover to provide Harley-Davidson® riders with unparalleled comfort, control and modern style
- Seats using Saddlemen's Gel Channel™ (GC) technology have a center channel that relieves seating pressure on the perineal area, increasing blood flow, thus keeping the rider comfortable in the saddle for longer time
- In addition to pressure relief, the GC-style center of the seat provides an air flow passage
- The rugged carbon-fiber weave and smooth vinyl cover holds up to hard use and still retains its good looks
- Every cover is constructed with durable, marine-grade vinyl that resists water and cold-cracking
- GelCore™ technology in both driver and passenger portions reduces engine vibration by 50% and dampens road shock by up to 90%

TRACK LS SEATS

- The Track-LS model is a result of Saddlemen's devotion to creating better looking, better fitting and more comfortable seats
- The seat platform starts with Saddlemen's proprietary and improved GelCore™ technology, a combination of SaddleGel™ and Black Magic foam, which is an advanced progressive-density formulation to create exceptional seat foundation
- Beautifully upholstered with unique, ventilated-style, stitched leather cover that provides both a luxurious look and a comfortable ride
- Custom-fitted rain cover included to protect the seat from water and dirt

EXPLORER™ SEATS

- Saddlemen's comfortable design is the gold-standard for touring seats
- Supple SaddleHyde™ offers a combination of comfort, glove-soft leathery feel and weather-resistant, no-maintenance good looks
- Exclusive, split-cushion design separates the seating surface from the lumbar support, reducing tailbone and back pressure for maximum long-range comfort
- GelCore™ in both driver and passenger portions reduces engine vibration by 50% and dampens road shock by up to 90%
- Also available with removable driver's backrest that is adjustable for both height and fore-aft position

ADVENTURE TOUR SEATS

- This Saddlemen specialized seat family was developed for adventure motorcycle riders who want to rack up the miles in comfort
- Durable top-grade vinyls and bright accent stitching with a supple upper-foam layer produce a seat that is as effective as it is stylish
- The combination of the gel comfort layer and progressive-density foam with a Gel Channel™ design cover provides riders with the support and perineal nerve relief needed for long saddle time
- Choose from Standard or Low Profile style
- Low-profile style reduces seat height 25,4 mm (1") or more
- Some seats available with adjustable Lumbar Rest that slightly extends forward as it adjusts to three positions to properly support your lower-back region
- Seat sets include rear mounting points to attach the perfectly matched Saddlemen Adventure Pack Luggage or other cargo to the pillion portion of the seat
